N5 Nasal Mask

We have been committed to developing quick fitting, versatile masks that provide maximum comfort. As our next generation nasal mask, the N5 has been crafted for better performance and to give a delicate touch on the user's face during therapy. We are proud to deliver our most advanced nasal mask yet.

N5 Nasal Mask

AutoFit Cushion

The intelligent flexigroove design on the cushion's upper edge helps to automatically and effectively adapt to the bridge of the nose.

Compact Frame

A slim and clear forehead strut, plus the versatility to fit 3 cushion sizes on the one frame.

Universal Elbow

The elbow swivel design enables flexibility for the user and the freedom to get comfortable without dislodging the mask.
